

Remote Resources: For Kids and Parents

As schools and daycares are closed, we know it is challenging to work from home with your school age children at home. Below are links to free, fun, educational, and safe websites for your children to enjoy:

- <https://www.storylineonline.net> : Hear your favorite stories read to you by your favorite movie stars
- <https://www.stmath.com> Math website for Pre-K - 5th grade. Offering free trial until June 2020 (click on the purple banner at the top "Covid-19)
- [Scholastic-Learn at Home](#): Scholastic set up a “[Learn From Home](#)” website. Each section already contains one week of content for students, with 15 additional days on the way. Each day of content is filled with exciting articles and stories, videos, and fun learning challenges. The students can even go on virtual field trips or meet best-selling authors. The website provides up to three hours of content each day and can be completed on any device.
- <https://kids.nationalgeographic.com>: Learn all about geography & Fascinating animals
